

Northeast Bank Announces Increased Share Repurchase Program

April 26, 2021

PORTLAND, Maine, April 26, 2021 (GLOBE NEWSWIRE) -- Northeast Bank (the "Bank") (NASDAQ: NBN) announced today that its Board of Directors has approved an increase to its previously approved share repurchase program from 600,000 shares to 1,000,000 shares of common stock, or up to \$25.0 million, representing approximately 12.0% of the Bank's common stock outstanding.

Repurchases under this program may be made in open market transactions. The timing and actual number of shares repurchased will depend on a variety of factors including price, corporate and regulatory requirements, market conditions, and other corporate liquidity requirements and priorities. The repurchase program does not obligate the Bank to purchase any particular number of shares.

The repurchase program may be suspended or terminated at any time without prior notice, and it will expire July 21, 2021.

In addition to the 1,000,000 shares discussed above, the Bank has an additional 46,902 shares available to repurchase under its previously announced share repurchase plan, which will expire on October 21, 2021.
