EXHIBIT A

Board Membership Criteria

The Governance Committee believes that it is in the best interests of the Company and its shareholders to obtain highly qualified individuals to serve on the Board.

At a minimum, the Governance Committee must be satisfied that each Governance Committee-recommended nominee meets the following minimum qualifications:

- The nominee shall have experience at a strategic or policymaking level in a business, government, non-profit or academic organization of high standing.
- The nominee shall be highly accomplished in his or her respective field, with superior credentials and recognition.
- The nominee shall be well regarded in the community and shall have a long-term reputation for the highest ethical and moral standards.
- The nominee shall have sufficient time and availability to devote to the affairs of the Company, particularly in light of the number of boards on which the nominee may serve.
- To the extent such nominee serves or has previously served on other boards, the nominee shall have a demonstrated history of actively contributing at board meetings.

In addition to the minimum qualifications for each nominee set forth above, the Governance Committee shall recommend that the Board select persons for nomination to help ensure that:

- A majority of the Board shall be “independent” in accordance with the standards established pursuant to Section 5605(a)(2) of the NASDAQ Listing Rules.
- Each of its Audit, Compensation and Governance Committees shall be comprised entirely of independent directors. In making its recommendations concerning potential members of the Compensation Committee, the Governance Committee will consider all of the factors concerning a director’s relationship to the Company required to be considered pursuant to Section 5605(d)(2) of the NASDAQ Listing Rules.
- At least one member of the Audit Committee shall have such experience, education and other qualifications necessary to qualify as an “audit committee financial expert” as defined by the rules of the Securities and Exchange Commission.

Finally, in addition to any other standards the Governance Committee may deem appropriate from time to time for the overall structure and composition of the Board, the Governance Committee may consider the following factors when recommending that the Board select persons for nomination:

- Whether the nominee has direct experience in the financial services industry or in the markets in which the Company operates.
- Whether the nominee, if elected, assists in achieving a mix of Board members that represents a diversity of background and experience.
