**Item 8.01 Other Events**

On February 25, 2016, the Board of Directors of Northeast Bancorp (the “Company”) approved an amendment to the Company’s existing stock repurchase program subject to regulatory approval, which was received on March 2, 2016. The approved amendment, which is effective March 2, 2016, increases the existing stock repurchase program by 600,000 shares of the Company’s common stock, representing 6.3% of the Company’s outstanding common shares or approximately \$6.3 million based on the Company’s closing price on March 2, 2016. Such purchases will be made in open market or in privately negotiated transactions from time to time and in such amounts as market conditions warrant. The timing and actual number of shares repurchased will depend on a variety of factors including price, corporate and regulatory requirements, market conditions, and other corporate liquidity requirements and priorities. The stock repurchase program may be suspended or terminated at any time without prior notice, and will expire on March 2, 2018.
