As of the Record Date, there were 8,174,491 shares of voting common stock outstanding and entitled to vote at the annual meeting. Each share of voting common stock outstanding on the Record Date is entitled to one vote on each matter properly submitted at the annual meeting and, with respect to the election of directors, one vote for each director to be elected. Abstentions and “broker non-votes” (i.e., shares represented at the meeting held by brokers, as to which instructions have not been received from the beneficial owners or persons entitled to vote such shares and with respect to which, on one or more but not all matters, the broker does not have discretionary voting power to vote such shares) will be counted for purposes of determining whether a quorum is present for the transaction of business at the annual meeting.

How do I vote?

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

The Board of Directors

The Board of Directors, which is elected by the Voting Shareholders, is responsible for the overall management of the business and affairs of Northeast. It has the ultimate decision-making authority, except with respect to those matters reserved to shareholders. The Board and its committees review Northeast's long-term strategic plans and exercise direct decision-making authority in a number of areas, such as declaring a dividend. The Board selects, advises and monitors the performance of the senior management team, which is charged with the conduct of Northeast's business and the implementation of the Board's strategic plan. The Board also reviews development and succession plans for Northeast's senior executive officers, as needed.

The Board of Directors currently consists of seven members divided into three classes. Class I directors are Richard Wayne and William Mayer; Class II directors are Matthew B. Botein and Cheryl Lynn Dorsey; and Class III directors are John C. Orestis, David A. Tanner and Judith E. Wallingford. The terms of the Class II directors will expire at the 2021 annual meeting.

Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines that govern the structure of the Board and outline the Board's policies on a number of Northeast's corporate governance issues and procedures. These guidelines embody long-standing practices of Northeast and also include procedures designed to incorporate current corporate governance best practices. Northeast's corporate governance practices are designed to align the interests of the Board and management with those of Northeast's shareholders and to promote honesty and integrity throughout the Bank. The Corporate Governance Guidelines are available on the Bank's website under the "Investor Relations" tab at <https://investor.northeastbank.com/investor-relations>.

Director Qualifications and Independence

Applicable rules of The NASDAQ Stock Market (the "NASDAQ Listing Rules"), the exchange on which Northeast's voting common stock is listed, and the Corporate Governance Guidelines require that the Board of Directors consist of a majority of independent directors. The Board of Directors evaluates the relationships between each director (or his or her immediate family members and related interests) and the Bank to determine a director's independence under the NASDAQ Listing Rules. Based on that review, the Board of Directors has affirmatively determined that each director, other than Mr. Wayne, is independent under the NASDAQ Listing Rules.

Executive Sessions of the Board

As provided in the Corporate Governance Guidelines, the independent directors meet in executive session at least quarterly and often monthly, following a meeting of the Board of Directors. The chairman of the Board of Directors presides at these sessions.

Board Attendance and Annual Meeting Policy

It is the Bank's policy that directors should make every effort to attend each meeting of the Board of Directors, each meeting of the committees on which they serve, and the annual meeting of shareholders. During the fiscal year ended June 30, 2021 ("fiscal 2021"), there were 13 meetings of the Board of Directors, and each of the directors attended at least 75% of the meetings of the Board of Directors (held during the period for which he or she had been a director) and committees on which he or she served (during the periods he or she served). Directors are expected to attend annual meetings of shareholders unless doing so is impracticable due to unavoidable conflicts. Seven directors of Northeast attended the 2020 annual meeting of shareholders.

Board Leadership

In accordance with the Bank's bylaws, the Board elects an independent director as the Chairman of the Board and also appoints the President, who also serves as Chief Executive Officer ("CEO"). Matthew Botein serves as the Bank's Chairman of the Board, and Richard Wayne serves as President and Chief Executive Officer of the Bank. The Chairman is responsible for the management, development and effective functioning of the Board and provides

leadership in every aspect of the Board’s oversight of the Bank. The Chairman also acts in an advisory capacity to the President and Chief Executive Officer, and to other executive officers in matters concerning the interests of the Bank and the Board, as well as serving as the liaison between management and the Board. The Chairman and the President and Chief Executive Officer work closely to ensure that the strategic goals of Northeast’s management team are in line with the risk and governance oversight objectives of the Board of Directors.

Board Committee Membership and Meetings

The committees of the Board of Directors include an Audit Committee, Compensation Committee, Nominating and Corporate Governance Committee (“Governance Committee”) and Risk Management Committee. These committees assist the Board in fulfilling its responsibilities. All of the members of the committees are nominated by the Governance Committee and appointed by the Board of Directors. Members of these committees are elected annually at the Board of Directors’ meeting following the annual meeting of shareholders. Each of these committees is composed entirely of independent directors. Each of the Audit Committee, the Compensation Committee, the Governance Committee and the Risk Management Committee operates under a committee charter approved by the Board of Directors setting out the purposes and responsibilities of the committee.

<u>Audit Committee</u>	<u>Compensation Committee</u>	<u>Governance Committee</u>	<u>Risk Management Committee</u>
Judith E. Wallingford, Chair	Matthew B. Botein, Chair	Cheryl Lynn Dorsey, Chair	John C. Orestis, Chair
Cheryl Lynn Dorsey	Cheryl Lynn Dorsey	John C. Orestis	Matthew B. Botein
John C. Orestis	Judith E. Wallingford	David A. Tanner	Judith E. Wallingford
	David A. Tanner		David A. Tanner
			William Mayer

Audit Committee. The Audit Committee currently consists of Mses. Wallingford and Dorsey and Mr. Orestis. Each member of the Audit Committee is independent under the NASDAQ Listing Rules and meets the criteria for independence as set forth in the SEC rules applicable to an audit committee.

The Audit Committee (i) oversees the accounting, financial reporting and internal control processes and the audits of financial statements; (ii) takes, or recommends that the Board take, appropriate action to oversee the qualifications, independence and performance of independent auditors; and (iii) prepares the report required by the rules of the SEC to be included in the proxy statement.

The Audit Committee held nine meetings during fiscal 2021. The Board of Directors has determined that Ms. Wallingford qualifies as an “audit committee financial expert” as that term is defined in the rules of the SEC. The Audit Committee’s charter is available on the Bank’s website under the “Investor Relations” tab at <https://investor.northeastbank.com/investor-relations>.

Compensation Committee. The Compensation Committee currently consists of Messrs. Botein and Tanner and Mses. Dorsey and Wallingford. Each member of the Compensation Committee is independent under the NASDAQ Listing Rules.

The Compensation Committee oversees overall compensation structure, policies and programs, reviews processes and procedures for the consideration and determination of director and executive compensation, and is responsible for producing a report for inclusion in the proxy statement relating to the Bank’s annual meeting of shareholders or annual report on Form 10-K, in accordance with applicable rules and regulations. The primary objective of the Compensation Committee is to develop and implement compensation policies and plans that ensure the attraction and retention of key management personnel, the motivation of management to achieve Northeast’s corporate goals and strategies, and the alignment of the interests of management with the long-term interests of Northeast’s shareholders.

The Compensation Committee determines the compensation of all executive officers. The Compensation Committee also reviews and makes recommendations to the full Board of Directors regarding the compensation of non-employee directors. In fiscal 2021, the Compensation Committee engaged PricewaterhouseCoopers LLP to conduct market compensation reviews for its named executive officers and directors. For additional information on the Compensation Committee’s process for the consideration and determination of the executive officer and director compensation and the engagement of the compensation consultant, please see “*Executive Compensation.*”

The Compensation Committee held five meetings during fiscal 2021. The Compensation Committee's charter is available on the Bank's website under the "Investor Relations" tab at <https://investor.northeastbank.com/investor-relations>.

Governance Committee. The Governance Committee currently consists of Ms. Dorsey and Messrs. Orestis and Tanner. Each member of the Governance Committee is independent under the NASDAQ Listing Rules.

The Governance Committee is responsible for identifying individuals qualified to become board members, consistent with criteria approved by the Board, and recommending that the Board select the director nominees for election at each annual meeting of shareholders. The Governance Committee is also responsible for developing and recommending to the Board a set of corporate governance guidelines applicable to Northeast, periodically reviewing such guidelines and recommending any changes thereto, and overseeing the evaluation of the Board and management.

The Governance Committee held six meetings during fiscal 2021. The Governance Committee Charter is available on the Bank's website under the "Investor Relations" tab at <https://investor.northeastbank.com/investor-relations>.

Risk Management Committee. The Risk Management Committee currently consists of Messrs. Orestis, Botein, Mayer and Tanner and Ms. Wallingford. The Risk Management Committee monitors and approves the Bank's levels of risk tolerance and related metrics on a comprehensive, enterprise-wide basis, and identifies and monitors key risks individually, approves levels of risk tolerance for each, and evaluates arrangements for the management thereof. The Risk Management Committee further provides a forum for consideration and discussion of trends and emerging risks.

The Risk Management Committee held four meetings during fiscal 2021.

Risk Oversight

The Board of Directors plays an important role in the risk oversight of the Bank and is involved in risk oversight through direct decision-making authority with respect to significant matters, including the development of limits and specific risk tolerances, and the oversight of management by the Board of Directors and its committees. The Board and its committees are also each directly responsible for considering risks and the oversight of risks relating to decisions that each committee is responsible for making. In light of Northeast's overall business, market and regulatory framework under which Northeast operates, and the complexities of Northeast's operations as a whole, the Board has established a Senior Management Risk and Compliance Committee, tasked with specific responsibility for direct oversight of the risks inherent in Northeast's business, along with management of the enterprise-wide risk management program.

In addition to the Senior Management Risk and Compliance Committee, the Board of Directors administers its risk oversight function through (1) the review and discussion of regular periodic reports to the Board of Directors and its committees on topics relating to the risks that Northeast faces, including, among others, credit risk, interest rate risk, regulatory risk and various other matters relating to Northeast's business; (2) the required approval by the Board of Directors (or a committee thereof) of significant transactions and other decisions, including, among others, final budgets, material uses of capital, strategic direction, and executive management hiring and promotions; (3) the direct oversight of specific areas of Northeast's business by the Senior Management Risk and Compliance Committee, the Audit Committee, the Compensation Committee, and the Governance Committee; and (4) regular periodic reports from the Bank's internal and external auditors and other third-party consultants regarding various areas of potential risk, including, among others, those relating to the Bank's internal controls and financial reporting. The Board of Directors also relies on management to bring significant matters impacting the Bank to the Board's attention.

Corporate Social Responsibility

Corporate responsibility promotes the long-term interests of our shareholders and strengthens our Board and management accountability. Our Board of Directors' duty of overseeing our corporate strategy includes the Board's oversight of how environmental and social issues may impact the long-term interests of our

shareholders and other stakeholders. Corporate responsibility at Northeast Bank is governed from the most senior levels down to every one of our employees because we believe that achieving operational excellence is intrinsically tied to how responsibly we run our business.

At Northeast Bank, we are focused on environmental, social, and governance (“ESG”) factors that are connected to our strategic business initiatives. As a full-service bank and national commercial loan originator, we focus on ESG issues such as financial inclusion and literacy, cybersecurity, and the development of our employees. We are in the process of fully evaluating our ESG issues and developing a comprehensive strategy.

Cybersecurity

One of our top priorities is safeguarding our customers’ personal financial information. We engage in a comprehensive and proactive approach to compliance, data privacy, cybersecurity, and risk management. Our information security program follows the industry recognized National Institute of Standards and Technology (“NIST”) framework to prevent, identify, mitigate and respond to potential risks and threats. We are supported by a number of reputable third-party vendors. Our commitment to data security and privacy is coordinated through our Senior Management Risk and Compliance Committee, which is chaired by our Chief Risk Officer. Through regular meeting, reporting, and employee training, we work diligently every day to protect our customers’ most sensitive information.

Financial Inclusion and Literacy

As a financial institution, we recognize the value of financial access and knowledge. We operate pursuant to a Community Reinvestment Act (“CRA”) Strategic Plan (the “CRA Strategic Plan”) that we have adopted in order to tailor our CRA goals and objectives to address the needs of our community consistent with our business strategy, operational focus, and capacity and constraints. The CRA Strategic Plan is an important aspect of our business strategy within our Community Banking Division. The CRA Strategic Plan focuses on the extent and breadth of small business lending activities, including the distribution of small business loans among different geographies and small businesses of different sizes throughout Maine, and places a strong emphasis on community development lending, services, donations, and investments. The small business lending performed by the Community Banking Division provides meaningful support to businesses in our local communities. Our employees contribute hundreds of service hours per year supporting low-or moderate-income geographies and individuals through financial literacy programs and serving as directors for community development organizations. Community development donations provide meaningful assistance to organizations that focus on affordable housing and community services targeted to low- or moderate-income individuals throughout Maine. In addition, we hold an investment in a CRA Qualified Investment fund which is a mutual fund that invests in securities and debt instruments in our CRA Assessment Area.

Human Capital Management

We recognize that attracting and retaining talent at all levels is vital to our continued success. Our human capital management philosophy is rooted in a deep sense of duty and care for one another. We strive to have open dialogues with our employees where issues can be raised and solutions identified. We offer our employees high-quality benefits and various health initiatives to support their overall well-being. Additionally, our talent development programs focus on providing educational opportunities through both internal and external resources, such as our employee training program and tuition reimbursements. We also prioritize giving back to our employees through recognition programs and bonus opportunities. All employees of the Bank received annual bonuses for fiscal years 2021 and 2020.

Our COVID-19 Response

The global pandemic created unprecedented challenges for our Bank, our employees, and our communities. It is through our resiliency and commitment to our long-term strategy that we have been able to effectively adapt to the changing conditions. Our highest priority was, and continues to be, the safety and well-being of our employees and customers.

For our employees, we swiftly and immediately closed our offices and enabled work-from-home procedures for seamless continuity of our business operations. We established a COVID-19 response team that meets periodically

to review the latest development, ensure compliance with regulations, and proactively adjust our business continuity plans. We actively engaged our employees to better understand the innate challenges each of them faces and to find solutions to support them during this time. We also implemented additional safety protocols and conducted training sessions to raise awareness and promote compliance.

For our customers, our efforts focused on ensuring continued, seamless access to their funds, connection to our customer service, and their well-being and safety while visiting our branches. Our online and mobile banking provided ease of use for their banking needs. For our customers in financial duress, we provided thoughtful loan deferments and modifications, and originated more than \$3.3 billion in U.S. Small Business Administration Paycheck Protection Program (“PPP”) loans, which have helped save hundreds of thousands of jobs. At our branches, we provided enhanced cleaning and sanitation services, and temporarily closed offices on a preventative basis when there were risks of potential infection.

The focus on the needs of our communities has never been as great as it has been during this time. We have supported our friends and neighbors through volunteering and charitable giving. We contributed vital necessities by donating masks to our local hospitals and food to our pantries, homeless shelters, and youth programs. As the pandemic wears on, we continue to find opportunities to serve our community nationwide.

Consideration of Director Nominees

Shareholder Recommendations. The Governance Committee’s current policy is to review and consider any director candidates who have been recommended by shareholders in compliance with the procedures established from time to time by the Governance Committee and set forth in the Governance Committee charter. All shareholder recommendations for director candidates must be submitted to Corporate Clerk at Northeast Bank, 27 Pearl Street, Portland, ME 04101, who will forward all recommendations to the Governance Committee.

Board Membership Criteria. The Governance Committee has established criteria for the Governance Committee-recommended director nominees. These criteria include the following specific, minimum qualifications that the Governance Committee believes must be met by each Governance Committee-recommended nominee for a position on the Board:

- The nominee shall have experience at a strategic or policymaking level in a business, government, non-profit or academic organization of high standing.
- The nominee shall be highly accomplished in his or her respective field, with superior credentials and recognition.
- The nominee shall be well regarded in the community and shall have a long-term reputation for the highest ethical and moral standards.
- The nominee shall have sufficient time and availability to devote to the affairs of the Bank, particularly in light of the number of boards on which the nominee may serve.
- To the extent such nominee serves or has previously served on other boards, the nominee shall have a demonstrated history of actively contributing at board meetings.

In addition to the minimum qualifications for each nominee set forth above, the Governance Committee shall recommend that the Board select persons for nomination to help ensure that:

- A majority of the Board shall be independent under the NASDAQ Listing Rules.
- Each of its Audit, Compensation, Governance and Risk Management Committees shall be comprised entirely of independent directors.
- At least one member of the Audit Committee shall have such experience, education and other qualifications necessary to qualify as an “audit committee financial expert” as defined by the rules of the SEC.

Finally, in addition to any other standards the Governance Committee may deem appropriate from time to time for the overall structure and composition of the Board, the Governance Committee may consider the following factors when recommending that the Board select persons for nomination:

- Whether the nominee has direct experience in the financial services industry or in the markets in which the Bank operates.
- Whether the nominee, if elected, assists in achieving a mix of Board members that represents a diversity of background and experience.

Identifying and Evaluating Nominees. The Governance Committee may solicit recommendations for director nominees from any or all of the following sources: non-management directors, the Chief Executive Officer, other executive officers, third-party search firms or any other source it deems appropriate.

The Governance Committee will review and evaluate the qualifications of any proposed director candidate that it is considering or has been recommended to it by a shareholder in compliance with the Governance Committee's procedures for that purpose, and conduct inquiries it deems appropriate into the background of the proposed director candidates. In identifying and evaluating proposed director candidates, the Governance Committee may consider, in addition to the minimum qualifications for Governance Committee-recommended director nominees, all facts and circumstances that it deems appropriate or advisable, including, among other things, the skills of the proposed director candidate, his or her depth and breadth of business experience, his or her independence and the needs of the Board. Neither the Governance Committee nor the Board has a specific policy with regard to the consideration of diversity in identifying director nominees, although both may consider diversity when identifying and evaluating proposed director candidates. As noted above, the Governance Committee, when recommending director candidates to the full Board for nomination, may consider whether a director candidate, if elected, assists in achieving a mix of Board members that represents a diversity of background and experience. Other than circumstances in which Northeast may be legally required by contract or otherwise to provide third parties with the ability to nominate directors, the Governance Committee will evaluate all proposed director candidates that it considers or who have been properly recommended to it by a shareholder based on the same criteria and in substantially the same manner, with no regard to the source of the initial recommendation of the proposed director candidate.

Shareholder Engagement

Our Board and management value the opportunity to engage with our shareholders so as to better understand and focus on the priorities that matter most to them, and to foster consistent and constructive dialogue. This past year, our directors and members of senior management proactively initiated investor outreach efforts. From these requests, we were able to engage with our top shareholders, which group included index funds and actively managed funds, among others, as well as proxy advisory firms that represent the interests of a wide array of shareholders. The feedback and insight from these meetings, in addition to emerging best practices, policies at other companies and market standards, are considered and evaluated by our Board, its committees, and management to enhance the evolution of our disclosures and practices.

During the meetings, we discussed our branch and loan strategies, financial and operating performance, PPP loan activity, corporate governance, executive compensation, and various other matters integral to our business and our Bank, including relevant ESG issues such as cybersecurity, financial inclusion, and human capital management.

We plan to continue increasing shareholder and stakeholder outreach and are working to create a regular cadence of two-way communication opportunities as we seek to understand priorities from all perspectives.

Communications with Directors

The Board of Directors has established a process for shareholders and other interested parties to communicate with the Board or a particular director. A shareholder may send a letter to Northeast Bank, Attention: Corporate Clerk, 27 Pearl Street, Portland, ME 04101. The mailing envelope should contain a clear notation indicating that the enclosed letter is a "Board communication" or "director communication." All such letters should state whether the intended recipients are all members of the Board or just certain specified individual directors. The Corporate Clerk will circulate the communications (with the exception of commercial solicitations) to the appropriate director or

directors. Communications marked “Confidential” will be forwarded unopened. A log of all correspondence addressed to the Board will be kept for periodic review by the Governance Committee and any other interested director.

Code of Ethics

The Board has adopted a Code of Ethics that applies to all of the directors, officers and employees, including its principal executive officer, principal financial officer and principal accounting officer. The Bank is committed to the highest standards of ethical and professional conduct, and the Code of Ethics provides guidance on how to uphold these standards. The Code of Ethics consists of basic standards of business practice as well as professional and personal conduct. Any material amendments to, or waivers of, the Code of Ethics (to the extent applicable to the principal executive officer, principal financial officer or principal accounting officer) will be promptly disclosed by the Bank. The Governance Committee has been charged with reviewing and reassessing the adequacy of the Code of Ethics annually and recommending any proposed changes to the Board for approval. The Code of Ethics is available on the Bank’s website under the “Investor Relations” tab at <https://investor.northeastbank.com/investor-relations>. A copy of this Code of Ethics is also available in print to any shareholder upon written request addressed to Heidi Jacques, Corporate Clerk, 27 Pearl Street, Portland, Maine 04101.

Policy Regarding Derivatives, Short Sales, Hedging or Pledging

The Board annually reviews and approves the Bank’s policy with regard to insider trading. The Bank’s Insider Trading Policy prohibits insiders from trading in puts, calls, other derivative securities of the Bank’s common stock, or any derivative securities that provide the economic equivalent of ownership of any of the Bank’s securities or an opportunity to profit from or hedge against any change in the value of the Bank’s securities. The Bank’s Insider Trading Policy also prohibits insiders from pledging shares on margin and engaging in short sales of the Bank’s securities.

EXECUTIVE COMPENSATION

Introduction

This section describes the Bank's executive compensation philosophy, programs and policies for fiscal 2021, and sets forth how the Compensation Committee of the Board of Directors of the Bank determined fiscal 2021 compensation for the following named executive officers of the Bank:

- Richard Wayne, President and Chief Executive Officer;
- Patrick Dignan, Executive Vice President; and
- Brian Pinheiro, Chief Risk Officer.

Compensation Philosophy and Objectives

We seek to attract and retain talented and committed employees and executives. Our compensation program is intended to meet the following objectives:

- Attract, develop, retain and motivate talented leadership to achieve the Bank's strategic objectives;
- Align management's interests with those of the shareholders through the use of equity plans approved by the Board and shareholders; and
- Reward high performance, promote accountability and adherence to the Bank's values and its Code of Ethics.

Executive Summary

Fiscal 2021 was an exceptionally strong year for the Bank, with record net income of \$71.5 million, or \$8.55 per diluted common share. These record earnings also resulted in a return on average assets of 4.53%, a return on average equity of 37.44% and an efficiency ratio of 28.34%. The driver behind the significant increase in earnings was a \$37.0 million increase in the gain on sale of PPP loans, as the Bank originated \$2.84 billion of PPP loans during fiscal 2021 which were all sold during the year, as well as a \$23.4 million increase in correspondent fee income. Over the life of the PPP program, the Bank originated \$3.32 billion of PPP loans, which the Bank estimates positively impacted over 300,000 jobs.

Beyond the impact of the PPP activity, the Bank originated and purchased a total of \$478.4 million of National Lending loans during fiscal 2021, resulting in net loan growth of \$69.0 million, or 7.1%. The Bank recorded net loan charge-offs of \$469 thousand during fiscal 2021 and at the end of the year, delinquencies and non-accrual loans amounted to \$11.3 million and \$18.8 million, respectively.

2021 Executive Compensation Framework

The Compensation Committee designed the fiscal 2021 executive compensation program to drive performance, recognize achievement of strategic objectives for the year and attract, develop, retain and motivate our leadership team. Our program this year emphasizes at-risk pay and is consistent with the compensation philosophy and has been designed to be responsive to shareholder views and feedback. Additionally, this year's compensation was responsive to COVID and the level of efforts that employees contributed beyond executive management. All employees of the Bank received annual bonuses for fiscal years 2021 and 2020.

During fiscal 2021, the Board adopted a clawback policy, whereby if there is a financial restatement, at the sole discretion of the Board or the Compensation Committee, any covered officer may be required to repay the Bank any excess compensation from incentive compensation plans received if, based on relevant facts and circumstances, the covered officer engaged in misconduct that resulted in the financial restatement. Alternatively, the Board or the Compensation Committee may reduce the amount of future compensation by an amount equal to the excess compensation received by the covered officer during the clawback period. The Board or the Compensation Committee shall have full discretion and authority to administer and interpret this policy and the Board or the

Compensation Committee may take into account any factors it deems reasonable in determining whether to seek recoupment of previously paid excess compensation and how much excess compensation to recoup from the covered officers. In addition to the clawback policy implemented, in conjunction with the adoption of the 2021 Stock Option and Incentive Plan (the “Plan”), the Bank (i) clarified wording around a double trigger in change in control in its Plan, (ii) added a minimum vesting provision, which limits the number of shares that can vest in less than one year to 5% of total shares in the plan, and (iii) no longer allows unvested awards to participate in dividends until vesting.

Role of Compensation Committee, Outside Advisors and Management in Compensation Decisions

In response to conversations held with investors and advisors during fiscal 2021, the Bank made changes to its executive compensation program for certain named executive officers, primarily regarding the bonus and equity compensation programs. In determining the bonus payouts for fiscal 2021 for Messrs. Wayne and Dignan, the Compensation Committee implemented a metric tied to pretax earnings prescribing a threshold under which no bonus would be paid and a maximum above which no additional bonus would be paid. Within those ranges, 30% of the calculated amount is at the discretion of the Compensation Committee based on qualitative factors such as overall management of the Bank, risk management considerations, regulatory relations, and other factors. The Compensation Committee therefore set potential fiscal 2021 bonuses for Messrs. Wayne and Dignan based on fiscal 2021 budgeted pre-tax income before any bonus to these two individuals. As Chief Risk Officer, Mr. Pinheiro’s compensation, including bonus and equity compensation, was not tied to financial performance, but rather determined by reference to qualitative factors, including enterprise risk assessment, regulatory compliance, and other related matters. There were no restricted stock awards granted during fiscal 2021. In early fiscal 2022, the Compensation Committee granted restricted stock awards to certain individuals. The restricted stock awards granted to Messrs. Wayne and Dignan consisted of time-based awards and performance-based awards, each of which comprised 50% of the total amount granted.

The Compensation Committee continues to monitor its pay program through regular market-based studies performed by our independent compensation consultant. Our executive compensation programs are designed to attract, motivate and retain a talented leadership team committed to driving superior results that deliver long-term shareholder value. Our incentive programs are designed to promote pay for performance and reward executives for performance that is aligned with our objectives, which ultimately creates long-term shareholder value. Annually, we review our pay programs to ensure that our compensation program aligns with our performance and business strategy while maintaining good corporate governance practices.

The Compensation Committee, pursuant to its charter, provides management and the Board with guidance on matters of executive and director compensation and related benefits. The CEO is not present when the Compensation Committee discusses CEO performance and specific actions related to CEO compensation. The Compensation Committee determines, after discussion with the Board, the compensation of the Bank’s CEO, and determines all compensation actions for the Bank’s other executive officers after reviewing the recommendations of the CEO. The Compensation Committee relies on management and outside advisers for technical guidance in conducting its affairs. It retains full authority to engage independent third-party advisers, including PricewaterhouseCoopers LLP, to conduct independent studies and provide objective advice on executive and director compensation. PricewaterhouseCoopers LLP’s primary role with the Bank has been as an independent adviser to the Compensation Committee on executive compensation matters. The Bank also retains Goodwin Procter LLP for legal and advisory services on executive compensation matters, including the drafting of compensation plan documents. The Bank may use other firms from time to time in the normal course of business.

Narrative to Summary Compensation Table

Base Salary

The Compensation Committee reviews the base salaries of its named executive officers each year. Salary increases, if any, are generally based on the executive's performance within specific areas of accountability, external market competitiveness and internal budget considerations. The base salaries of our Named Executive Officers for fiscal 2021 and fiscal 2020 are as follows:

Named Executive Officer	Base Salary FY2021 (\$)	Base Salary FY2020 (\$)	Percent Increase
Richard Wayne	600,000	600,000	0%
Patrick Dignan	450,000	400,000	12.5%
Brian Pinheiro	265,225	257,500	3.0%

Performance Bonuses

In establishing its bonus program for fiscal 2021 for Messrs. Wayne and Dignan, the Compensation Committee implemented a metric prescribing a threshold under which no bonus would be paid and a maximum above which no additional bonus would be paid, which is capped at two times base salary. Within those ranges, 70% of the calculated amount is based on achievement of pre-tax income (prior to payment of the bonuses to Messrs. Wayne and Dignan) and 30% of the calculated amount is at the discretion of the Compensation Committee. The factors that are considered as part of the discretionary portion are overall company management, relations with regulators, and other qualitative factors that the Compensation Committee feels reflects on the efforts of management.

The Bank earned pre-tax income before bonus to Messrs. Wayne and Dignan of \$103.2 million, which exceeded the maximum threshold. Further, with respect to the discretionary portion, some of the factors that the Compensation Committee considered included the Bank's activity in PPP both as an originator and as a correspondent, a successful fiscal year with our employees working from home, the consolidation of our Lewiston branch into our nearby Auburn branch and related relocation of our Lewiston operations center, and the acceptance of our CRA Strategic Plan by our regulators. As such, the Compensation Committee approved the maximum bonus for both Messrs. Wayne and Dignan, of \$1.2 million and \$900,000, respectively, including 100% of the discretionary portion.

As Chief Risk Officer, Mr. Pinheiro's bonus compensation was not tied to financial performance, but rather determined by reference to qualitative factors, including enterprise risk assessment, regulatory compliance, and other related matters.

For fiscal 2021, the Compensation Committee determined to award the following cash bonus amounts with respect to fiscal 2021 performance:

Named Executive Officer	FY2021 Bonus (\$)
Richard Wayne	1,200,000
Patrick Dignan	900,000
Brian Pinheiro	250,000

Equity-Based Long-Term Incentives

The Compensation Committee considers long-term equity-based compensation to be an integral part of the Bank's compensation program. In making equity awards, the Compensation Committee considered the benefit to the Bank of having a significant portion of the executives' compensation tied to the long-term financial performance of the Bank, and thereby to shareholder value. The Compensation Committee also considered the experience and qualifications of the executives, their ability to execute the Bank's business plan, the retention value of long-term equity incentives and peer compensation data.

In fiscal 2019, Messrs. Wayne and Dignan were granted 15,000 and 10,000 restricted shares, respectively, that are performance-based (the "2018 Performance Shares"). The 2018 Performance Shares were subject to performance-based vesting over a three-year performance period (the "performance period"). The 2018 Performance Shares include an absolute metric and a sliding metric within the performance period. The absolute metric required that in order for Messrs. Wayne and Dignan to be eligible to vest in the 2018 Performance Shares in any given year within the performance period, the Bank must be in full compliance at all times with the regulatory commitments made to the Federal Reserve and the Maine Bureau of Financial Institutions in 2010 (which ceased to apply to the Bank in 2019), and the Bank is not subject to any written agreement, Board resolution, memorandum of understanding or consent with any regulatory agency, and as of the vesting date, the Bank had no regulatory commitments to the Federal Reserve or the Maine Bureau of Financial Institutions. Once it was determined that the absolute metric was met, Messrs. Wayne and Dignan vested in the 2018 Performance Shares based on reaching certain thresholds in regard to the Bank's ROE. The ROE targets and vesting schedule were as follows:

Richard Wayne

	<u>ROE Target</u>	<u>Shares vested: <70% ROE Target</u>	<u>Shares vested: 70% - <80% ROE Target</u>	<u>Shares vested: 80% - <90% ROE Target</u>	<u>Shares vested: 90% - 100% ROE Target</u>
FY19	14.00%	—	1,500	2,250	3,000

The Bank achieved an operating ROE of 13.74%, excluding the effects of the corporate reorganization, in fiscal 2019 and an ROE of 14.21% and 37.44% in fiscal 2020 and 2021, respectively. On a three-year cumulative basis, the Bank achieved ROE of 21.69%. As a result, Mr. Wayne has vested an aggregate of 15,000 of the 2018 Performance Shares and Mr. Dignan has vested an aggregate of 10,000 of the 2018 Performance Shares.

Additionally, in fiscal 2020, Mr. Dignan was granted 15,000 restricted shares, which vest in three equal annual installments, commencing on October 25, 2022. Mr. Wayne was not granted any restricted shares in fiscal 2020. In fiscal 2021, no restricted shares were granted to Messrs. Wayne or Dignan.

Following fiscal 2021, in August 2021, the Compensation Committee approved awards of time-based restricted shares to each of our named executive officers and performance-based restricted shares to each of Messrs. Wayne and Dignan. Specifically, Messrs. Wayne and Dignan were granted 12,500 and 10,000 time-based restricted shares, respectively, which vest in three equal annual installments, commencing on August 13, 2022.

Further, Messrs. Wayne and Dignan were granted 12,500 and 10,000 restricted shares that are performance-based (the “2021 Performance Shares”). The 2021 Performance Shares are subject to performance-based vesting based on a three-year performance period (the “performance period”). The Compensation Committee believes that the Bank’s return on average assets is an important target metric to determine the Bank’s performance over the measurement period. Messrs. Wayne and Dignan will vest in the 2021 Performance Shares based on reaching a certain threshold in regards to the Bank’s cumulative three-year ROA. The ROA targets and vesting schedule are as follows:

Richard Wayne

	<u>ROA Target</u>	<u>Shares vested: <70% ROA Target</u>	<u>Shares vested: 70% - <80% ROA Target</u>	<u>Shares vested: 80% - <90% ROA Target</u>	<u>Shares vested: 90% - 100% ROA Target</u>

The restricted share awards granted to each of our named executive officers vest immediately upon the termination of the executive’s employment due to death or disability. In addition, upon a change in control of the Bank, (i) in the case of a change in control in which such awards are assumed or continued by the successor entity, any unvested time-based restricted shares will vest in full if the executive’s employment is terminated without cause on or following such change in control and (ii) in the case of a change in control in which such awards are not assumed or continued by the successor entity, any unvested time-based restricted shares will vest in full. In addition, upon a change in control of the Bank, any unvested 2021 Performance Shares will convert to time-based restricted shares that will vest in full at the end of the performance period, subject to the named executive officer’s continued

employment through the last day of such performance period. If an acquirer does not assume, continue or substitute the performance shares, or the named executive officer's employment is terminated without cause or he resigns for good reason following a change in control, the performance shares will vest in full upon the change in control, termination or resignation, as applicable.

Mr. Pinheiro was granted 5,000 time-based restricted shares in fiscal 2019, which vest in three equal annual installments, which commenced on August 14, 2021. Mr. Pinheiro was not granted any restricted shares in fiscal 2020 nor fiscal 2021. Following fiscal 2021, in August 2021, Mr. Pinheiro was granted 5,000 time-based restricted shares, which vest in three equal annual installments, commencing on August 13, 2022.

Executive Benefits

All named executive officers are eligible for Bank-sponsored benefit programs available broadly to Bank employees, including healthcare and dental benefits, disability insurance and life insurance. The Bank also maintains a traditional 401(k) plan pursuant to which the Bank matches half of an employee's contribution, up to 6% of the employee's salary.

Employment Agreement

On December 29, 2010, the Bank entered into an employment agreement with Mr. Wayne with an initial term of three years. Upon expiration of the initial term, the employment agreement will be renewed for successive terms of one year, unless either party gives written notice not less than 90 days prior to the date of any such anniversary of the election not to extend the term.

Pursuant to the employment agreement, Mr. Wayne is entitled to receive an annual base salary, which may be increased from time to time in accordance with normal business practices and in the sole discretion of the Bank. Mr. Wayne is also eligible to participate in the Bank's non-equity incentive compensation and equity-based long-term incentive plans as determined by the Bank's Compensation Committee and in any benefit programs that the Bank establishes and makes available to its employees.

The employment agreement contains restrictive covenants, including non-competition and non-solicitation covenants that survive for 24 months following the termination of employment.

The employment agreement describes the payments and benefits to which Mr. Wayne would be entitled upon termination of his employment under certain circumstances. Specifically, if (i) Mr. Wayne's employment is terminated either by the Bank without cause or by such executive for good reason or if the Bank makes an election not to extend the term of any such employment agreement, and (ii) Mr. Wayne executes a release of claims prepared by the Bank, the non-competition restrictions in the applicable employment agreement will terminate unless the Bank (in the sole discretion of the Board) pays such executive an amount equal to the base salary such executive would have received for the duration of the restricted period.

Neither Mr. Dignan nor Mr. Pinheiro are party to an employment agreement with the Bank.

PROPOSAL 2
ADVISORY, NON-BINDING VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

We are providing our Voting Shareholders the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules.

Our executive compensation programs and policies are designed to attract, motivate and retain executive talent, and are aligned with the long-term interests of our shareholders. Please see the section titled "*Executive Compensation*" for a detailed discussion of our executive compensation programs. We believe that the effectiveness of our compensation programs is demonstrated by the accomplishments of management in executing the Bank's business plan over the most recent fiscal year.

The Board of Directors recommends that Voting Shareholders vote in favor of the following resolution:

"RESOLVED, that the compensation of Northeast's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Executive Compensation section, the compensation tables and narrative discussion, be approved."

The resolution that is the subject of this proposal will not have any binding legal effect regardless of whether or not it is approved, and may not be construed as overruling a decision by the Bank or the Board or creating or implying any change to the fiduciary duties of the Board. However, the Compensation Committee intends to take the results of the vote on this proposal into account in its future decisions regarding the compensation of the Bank's named executive officers.

Vote Required

The affirmative vote of a majority of the shares of voting common stock present in person or represented by proxy at the meeting and entitled to vote on this proposal is required for the approval of this proposal. Abstentions shall be included in determining the number of shares present and entitled to vote on the proposal, thus having the effect of a vote against the proposal. Broker non-votes, if any, are not counted in determining the number of shares present and entitled to vote and will therefore have no effect on the outcome.

Recommendation

The Board of Directors unanimously recommends a vote *FOR* this proposal. Properly authorized proxies solicited by the Board will be voted *FOR* this proposal unless instructions to the contrary are given.

PROPOSAL 3
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected and appointed RSM US LLP as our independent registered public accounting firm to audit our financial statements for the year ending June 30, 2022. Although ratification by Voting Shareholders is not required by law or by our bylaws, the Audit Committee believes that submission of its selection to Voting Shareholders is a matter of good corporate governance. Even if the appointment is ratified, the Audit Committee, in its discretion, may select a different independent registered public accounting firm at any time if the Audit Committee believes that such a change would be in the best interests of Northeast. If our Voting Shareholders do not ratify the appointment of RSM US LLP, the Audit Committee will take that fact into consideration, together with such other factors it deems relevant, in determining its next selection of independent auditors.

It is anticipated that a representative of RSM US LLP will attend the annual meeting of shareholders, will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

Fees

Aggregate fees for professional services rendered by RSM US LLP for the years ended June 30, 2021 and 2020 were as follows:

	2021	2020
Audit Fees(1)	\$ 370,650	\$ 362,887
Audit-Related Fees(2)	6,300	11,550
Tax Fees(3)	-	126,040
All Other Fees	-	-
Total	\$ 376,950	\$ 500,477

(1) Includes fees for the financial statement audit of the Bank, quarterly reviews, regulatory audit requirements, and out-of-pocket expenses.

(2) Consists of fees related to the audit of the Bank's employee benefit plan for both years and agreed-upon procedures for regulatory requirements in fiscal 2020.

(3) Consists of tax return preparation and tax-related compliance and services.

Auditor Fees Policy

The Audit Committee has approved a policy concerning the pre-approval of audit and non-audit services to be provided by RSM US LLP, our previous independent registered public accounting firm. The policy requires that all services provided by RSM US LLP to us, including audit services, audit-related services, tax services and other services, must be pre-approved by the Audit Committee; provided, however, the pre-approval requirement is waived with respect to the provision of non-audit services for the Bank if the "de minimis" provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied. This authority to pre-approve non-audit services may be delegated to one or more members of the Audit Committee, who shall present all decisions to pre-approve an activity to the full Audit Committee at its first meeting following such decision.

The Audit Committee approved all audit and non-audit services provided to us for fiscal 2021 and 2020.

Vote Required

The affirmative vote of a majority of the shares of voting common stock present in person or represented by proxy at the meeting and entitled to vote on this proposal is required for the approval of this proposal. Abstentions shall be included in determining the number of shares present and entitled to vote on the proposal, thus having the

effect of a vote against the proposal. Broker non-votes, if any, are not counted in determining the number of shares present and entitled to vote and will therefore have no effect on the outcome.

Recommendation

The Board of Directors unanimously recommends a vote *FOR* this proposal. Properly authorized proxies solicited by the Board will be voted *FOR* this proposal unless instructions to the contrary are given.

Officers, directors and greater than ten percent beneficial owners are required by SEC regulations to furnish Northeast with copies of all Section 16(a) forms they file. To our knowledge, based solely on our review of the copies of such reports furnished to us and written representations that no other reports were required during fiscal 2021, all Section 16(a) filing requirements applicable to our executive officers, directors and greater than ten percent beneficial owners were timely satisfied, except that a late Form 3 was filed for William Mayer upon becoming a director during fiscal 2021.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

The Bank’s Code of Ethics provides guidance on transactions with related persons. Any transaction with a related person must be reviewed and approved by the full Board and determined to be “arm’s length.” John C. Orestis, who is a member of our Board of Directors, and his affiliates have one loan for approximately \$75 thousand with the Bank. The loan was current as of June 30, 2021. All loans were made in the ordinary course of business under normal credit terms, including interest rates and collateral requirements prevailing at the time of origination for comparable transactions with other persons, and do not represent more than normal credit risk.

If any other matters properly come before the annual meeting, or any adjournments or postponements of that meeting, and are voted upon, the enclosed proxies will be deemed to confer discretionary authority on the individuals that they name as proxies to vote the shares represented by these proxies as to any of these matters. The individuals named as proxies intend to vote or not to vote in accordance with the recommendation of our management.

Any such proposals should be mailed to: Corporate Clerk, Northeast Bank, 27 Pearl Street, Portland, Maine 04101.
